Supplemental Re-submission of Claim Set To Avoid Notice of Non-Compliant Amendment

Further to the Amendment filed by fax on August 20, 2004, Applicants voluntarily re-submit the entire claim set. It is noted that Applicants re-faxed the Amendment of August 20th with a copy of the fax confirmation report at the Examiner's suggestion when on Dec. 10, 2004 neither Examiner nor Applicants could find the August 20th Amendment scanned in yet at PTO. Applicants subsequently noticed that, by inadvertent error, the claim set filed August 20th did not re-state "Claims 1-23 were cancelled without prejudice", that cancellation having been done 3 years ago under the old rules in a Prel. Amendment filed Sept. 18, 2001. Thus, the claim set of the August 20, 2004 Amendment is re-filed herewith to avoid a Non-Compliant Notice being generated. No fee is believed due, but if a fee is due, permission is granted to debit Dep. Account No. 07-1350.

Amendments to the Claims: reflected in the listing of claims beginning on page 2 of this paper.

Respectfully submitted,

Edward S. Podszus
